

**I Believe**  
**Diamond Rio**

I Believe  
Diamond Rio  
Capo on the first fret

**G**  
Every now and then  
**D**  
Soft as breath upon my skin  
**Em**  
I feel you come back again  
**C**  
And it s like you haven t been

**G**  
gone a moment from my side  
**D**  
Like the tears were never cried  
**Em** **C** **Dsus D**  
Like the hands of time are holding you and me

**G**  
And with all my heart I m sure  
**D**  
We re closer than we ever were  
**Em**  
I don t have to hear or see  
**C**  
I ve got all the proof I need

**D** **G** **Dsus D**  
There are more than angels watching over me  
**C** **D** **G**  
I believe, oh I believe

**G**  
Now when you die your life goes on  
**D**  
It doesn t end here when you re gone  
**Em**  
Every soul is filled with light  
**C**  
It never ends and if I m right  
**G** **Dsus D**  
Our love can even reach across eternity  
**C** **D** **G**  
I believe, oh I believe

**F** **C**  
Forever you re a part of me  
**G** **D**  
Forever in the heart of me  
**F** **C** **D**  
And I ll hold you even longer if I can  
**F** **C**  
Oh the people who don t see the most  
**G** **D**  
See that I believe in ghosts  
**F** **C** **D**  
If that makes me crazy, then I am  
**G**  
Cause I believe

**G** **Dsus** **D**  
There are more than angels watching over me  
**C** **D** **G**  
I believe, oh I believe

**G**  
Every now and then  
**D**  
Soft as breath upon my skin  
**Em**  
I feel you come back again  
**C**  
And I believe.....
