

**I Believe**  
**Diamond Rio**

I Believe  
Diamond Rio  
Capo on the first fret

**B**  
Every now and then  
**F#**  
Soft as breath upon my skin  
**G#m**  
I feel you come back again  
**E**  
And it s like you haven t been

**B**  
gone a moment from my side  
**F#**  
Like the tears were never cried  
**G#m** **E** **F#sus F#**  
Like the hands of time are holding you and me

**B**  
And with all my heart I m sure  
**F#**  
We re closer than we ever were  
**G#m**  
I don t have to hear or see  
**E**  
I ve got all the proof I need

**F#** **B** **F#sus F#**  
There are more than angels watching over me  
**E** **F#** **B**  
I believe, oh I believe

**B**  
Now when you die your life goes on  
**F#**  
It doesn t end here when you re gone  
**G#m**  
Every soul is filled with light  
**E**  
It never ends and if I m right  
**B** **F#sus F#**  
Our love can even reach across eternity  
**E** **F#** **B**  
I believe, oh I believe

**A** **E**  
Forever you re a part of me

**B** **F#**  
Forever in the heart of me

**A** **E** **F#**  
And I ll hold you even longer if I can

**A** **E**  
Oh the people who don t see the most

**B** **F#**  
See that I believe in ghosts

**A** **E** **F#**  
If that makes me crazy, then I am

**B**  
Cause I believe

**B** **F#sus** **F#**  
There are more than angels watching over me

**E** **F#** **B**  
I believe, oh I believe

**B**  
Every now and then

**F#**  
Soft as breath upon my skin

**G#m**  
I feel you come back again

**E**  
And I believe.....
