tell me who is the loneliest fool of all
    G#                    G#     Cm Fm
now wait a minute, I believe I see
     G#              Eb7       G#
the answer staring back at me
```

```
      G#                              G#        Cm Fm
