

I Will Survive
Diana Ross

Am **Dm**
At first I was afraid, I was petrified
G **C**
Kept thinkin I could never live without you by my side
Am **Dm**
Then I spent so many nights thinking how you did me wrong
E
And I grew strong
E7
And I learned how to get along

Am **Dm**
And so you re back from outer space
G **C**
I just walked in to find you here, with that sad look upon your face
Am
I should have changed that stupid lock
Dm
I should have made you leave your key
E **E7**
If I had known for just one second you d be back to bother me

Am **Dm**
Go on now, go walk out the door
G
Just turn around now
C
Coz you re not welcome anymore
Am **Dm**
Weren t you the one who tried to break me with goodbye?
E
Did you think I d crumble?
E7
Did you think I d lay down and die?
Am **Dm**
Oh no not I, I will survive
G **C**
For as long as I know how to love, I know I ll stay alive
Am
I ve got all my life to live
Dm
And I ve got all my love to give
E
I ll survive
E7
I will survive
Hey hey

then you just play Am Dm G C Am Dm E E7 once and then the chords are the same throughout the rest. I ll just put the rest of the words on.

It took all the strength I had not to fall apart
Just trying hard to mend the pieces of my broken heart
And I spent oh so many nights just feeling sorry for myself
I used to cry, but now I hold my head up high
And you see me, somebody new
I m not that chained up little person still in love with you
And so you felt like dropping in and just expect me to be free
But now I m savin all my lovin for someone who s lovin me

Go on now, go walk out the door
Just turn around now
You re not welcome anymore
Weren t you the one who tried to break me with goodbye?
Did you think I d crumble?
Did you think I d lay down and die?
Oh no not I, I will survive
Oh as long as I know how to love, I know I ll stay alive
I ve got all my life to live
And I ve got all my love to give
I ll survive
I will survive
Hey hey (x2)
