When You Tell Me That You Love Me
Diana Ross

G   Em
I wanna feel this way longer than time,
        C   D
I wanna know your dreams, and make them mine.
        Bm   Em
I wanna change the world only for you,
          C   D
all the impossible I wanna do.

        G   Em
I wanna hold you close under the rain,
        C   D
I wanna kiss your smile, and feel your pain.
              Bm   Em
I know what s beautiful, looking at you,
          C   B7
here in a world of lies, you are the true. And baby,

(Chorus:)
E   Db
Everytime you touch me, I become a hero,
      A   B7
I ll make you safe no matter where you are, and bring you
E   Db
anything you ask for, nothing is above me,
      A   B7
I m shining like a candle in the dark,
                          E
when you tell me that you love me.

You walked into my life to stop my tears,

everything s easy now I have you here.
