Intro: **C Dm G F C C4** and then into verse

C **Dm**
Lookin round for a different high in the land of the living

G **F** **C** **C4**
Tryin to free the bird inside this cage

C **Dm**
I got news today that you re gonna go see the great wall of China

G **F** **C**
I guess I ll see all the pictures on your page

No, I can t tell the reason from the riddle and the rhyme
I can t see the feelin s on your mind
You know it feels like we re only living under the same sky
When the clock strikes eleven fifty nine

G **F** **C**
Do you hear me callin Ariel?

G **F** **C**
Am I a fool to think I know you well?

G **F** **C**
Do we see the same stars Ariel?

G **F** **C**
Cause sometimes baby those green eyes just don t tell

Intro again

I ve been cryin on the pillow where you lie
For the past, for the future and everything in between
Oh, does it hurt more to lose you or hurt more to love you baby?
Or does it hurt more to look at you on my screen?

Do you hear me callin Ariel?
Am I a fool to think I know you well?
Do we see the same stars Ariel?

G **E7/G#** **Am** **Am/G#**

Cause sometimes baby those green eyes just don t tell
