

And tell you all the things that I feel

(Chorus)

Am **F**
Cause everything is different now
Am **F** **G**
I d really like to tell you how

Am **F** **C** **G** **Am**
F
How I--- wanted you here by my side
C **G** **Am** **F**
I know what I said but I lied
Am **F** **C** **G**
It looked like a laugh but I cried
F **C** **G**
Oh, I wish I could push rewind

(bridge)

Am **F** **C--(let it ring)--G**
I saw you on the corner holding hands with someone new
Am **F** **C** **G**
Happy as a boy could be
Am **F** **C** **G**
Love was in your eyes and yeah she looked the same way too
Am **F** **C** **G**
It s funny that was almost me

Now I wanna be there by your side
I know what I said but I lied
I wanted to laugh but I cried
Cause it s too late to push rewind

Oh no, oh no, no, no, no
No, no, no, no, no
I know what I said but I lied
Oh no, oh no, now I cried

Just too late, too late, too late, too late, too late
Oh no, it s just too late, too late, too late, too late
I can t push rewind, oh no, no
It s too late
