 Did I tell you how my heart just follows the sound of your voice?
B7(4)(9) **B7(b9)** **E7M**
 From the first time I heard you I knew there was no other choice
C#m7(9) **F#m7(11)**
 Just as sweet as a wind charm that swings to the touch of a breeze
B7(4)(9) **A7(13)**

 You have opened my senses and now you can do what you please

G#7(b13) **C#m7M(9)(11)** **C#m7/B** **A7M(9)**
 I surrender, I savour the pleasures of your back and call
D7(13) **Am6/C** **G#m7**
 I give into all your treasures as I fall
C#7(4)(9) **C#7(9)**
 I m in love and feeling so very blessed
F#7(4)(9) **F#7(9)** **B7(4)(9)** **B7(b9)**
 And these are the things I have to confess

Did I tell you the first time I tasted the curve of your lips
 I felt planets in motion, the lights of a luner eclipse
 So delicious, delightful to sharing our thoughts of the day
 Stimulating insightful, I hang on the words that you say

Days of old are all forgotten how I kept feeling inside
 When you re close there s just no place that I can hide
 This is why I m feeling so very blessed
 And these are the things I have to confess to you
