

Land Of The Loving
Dianne Reeves

Beautiful song.Had to really play and sing this myself before sharing it to you.

LAND OF THE LOVING

C **G/C**
Deep in your eyes is a promise
C **FM7/C**
Love can be ours if we want it
Am7 **Em** **Gm** **C** **F**
Starting tonight every dream I ever knew
Dm7 **Em**
Here n your arms, I m believing
F **D** **G**
Finally my life has a meaning of its own
F **Em** **G** **C**
Here in the land of the loving, I am home.

C **G/C**
I was alone in the city
C **C/FM7**
Searching for someone to find me
Am7 **Em** **Gm** **C** **F**
Cold empty nights and a million strangers' eyes
Dm7 **Em**
Here in your arms, I m beginning
F **D** **G**
To leave behind all the loneliness, I knew
F **Em** **G** **C**
Here in the land of the loving. there is you

Chorus:

F **G** **Em** **Am** **Dm7** **G**
In this simple room magic is made
Gm7 **C**
Though the world seems unchanged
E7 **Am** **Am/** **G**
Leave the lights on I m a little afraid
D **G**
This might be just one sweet dream

C **G/C**
Deep in the night love is growing
C **FM7/C**
Though I had no way of knowing
Am **Em**
