[Dice] **G# - Gm**

Juz call me first born, you re my first love,
 You re my 1st kiss from up above.
 And I don t care if you don t give love back
 Coz n my heart is where your ass is at.
 I love your eyes , your nose & your tender lips,
 Wanna kiss your neck, your shoulders to your finger tips.
 I go crazy when you shake those sexy hips.
 Baby girl you re the 1 I can t resist.
 You know I love you from the very start, I don t care if you break my heart.
 I m the man & I m here for you, believe me coz my love is true.

 Never talk about the i-c-e coz I only got my h-e-a-r-t for y-o-u
 I can t pay the bills for dinner, I juz give them my IOU
 For sure, I m not after f-u-c-k, got no b-a-d intentions don t wanna play girl,
 Maybe we might spot a UFO, wait, that s not part of the rhyme juz felt like
 sayin so
 You gotta know that I love from the start till f-o-r-e-v-e-r.

Baby girl be my first lady, be the mom of my first baby

You didn't like me when you first show me, I'll be gentle I'll do it slowly.

[K9]G# - Gm -

Girl, I think it's better if you was with me, I got done coz I just won the spelling bee

For you, I got all the time Ask mummies to pass but I'm not so sure
Just doin' my own thing, shits more expensive than your fancy gold rings,
I don't mean dissin' coz I gotta go there, mummies don't care,
All for them ladies, even chicks with nose rings.
