I know this isn't very correct, but I can't find anything else anywhere. Those who know this song and know what's wrong with this, please help by making a better version? thanks :D

Verse 1:

C
Whenever I am feeling low
Am **Em**
I look around me and I know
F **C**
There's a place that will stay within me
F **G**
Wherever I may choose to go
C **F**
I will always recall the city
Dm **C**
Know every street and shore
F **C** **Am**
Sail down the river which brings us life
F **G**
Winding through my Singapore

Chorus:

C **G**
This is Home, truly
F **C**
Where I know I must be
F **C**
Where my dreams wait for me
F **G**
Where that river always flows
C **G**
This is home, surely
F **C**
As my senses tell me
F **E** **Am**
This is where I won't be alone
F **G** **C**
For this is where I know it's home

Verse 2 [same chords]

When there are troubles to go through
We'll find a way to start anew
There is comfort in the knowledge
That homes about its people too
So we'll build our dreams together

Just like we ve done before
Just like the river which brings us life
There ll always be Singapore

Chorus Repeat x2
