[Verse 1]

C#M G#M

How many times have you heard them say;

F#M G#M C#M
"The future is uncertain and everything must change"

G#M

Well all of my worries and all of my fears

F#M G#M

Begin to lose their weight, when I hold you near

C#M G#M

If all that we are is what we believe

F#M G#M C#M

Then I know I've got to be the change I want to see

G#M

How easy we forget that everything takes time

F#M G#M

No, nothing is ever perfect, but I still call you mine

C#M

Wo-o-ah Wo-o-ah
