

Closer

Dido

Intro: {D}~~ {G}~~

D

So leave your taxi waiting

G

And turn and close my door

D

And sit back down where you were sitting

G

A little closer then before

D

When you look that serious

G

Em

It just makes me want you more

Em

A

Em

And I ve been meaning to tell you

D

A

The closer you get, the better I feel

F#m

G

The closer you are, the more I see

D

A

Why everyone says, that I look happier

F#m

When you re around

G

D

The closer you get, the better I feel

And yes I know you re nervous

Never seen you so unsure

You haven t touched your food tonight

And you re drinking more and more

And there s no need to hurry

Take you re time I ll still be here

And I ve been meaning to tell you

The closer you get, the better I feel

The closer you are, the more I see

Why everyone says, that I look happier

When you re around, the better I feel

The closer you get, the better you see

The closer you are, the more I see

Why everyone says, that I look happier
When you re around, the closer you get
The better I feel, the better I feel

D **A**
We ve been circling for time baby

Em **G**
We re coming down to land tonight

D **A**
The wait is over and now it s easy

F#m **G**
Everything is fine

The closer you get, the better I feel
The closer you are, the more I see
Why everyone says, that I look happier
When you re around, the better I feel

The closer you get, the better you see
The closer you are, the more I see
Why everyone says, that I look happier
When you re around, the closer you get
The better I feel
