

Grafton Street
Dido

(E)

no more trips to grafton street, no more going there
to see you lying still while we all come and go

E5 **G**
no more watching sunsets that seem like summer s holding on
D **E5**
and no more standing quietly at your window

G
no more driving down your road, wondering when you ll be home
D **Am 2fr**
and no more peace when they all leave and leave us two alone

Em **G** **Bm**
and time we always lose is finally found here with you
Em7 **D6** **G** **Bm7**
my love i know we re losing but i will stand here by you

Em **G** **G**
no more calling friends from the car, saying i don t know when i ll be there,
Em **Esus4**
but i ll do my best to come

Em **G**
no more letting you warm my hands, no more trying to take it in
D **Dadd9 2fr**
and no more saying goodbye for the last time again
D5 **(A)5fr** **(B)**
no more saying goodbye for the last time again

(D) **Em** **G** **Bm**
and time we always lose is finally found here with you
Em7 **D6** **G** **Bm7**
my love i know you re leaving but i will stand here by you

Em **G**
no more trips to grafton street, no more going there
D **Em** **Esus4**
no more sitting up all night waiting for any word
Em **G**
nothing s left that s safe here now nothing will bring you home
D **Dadd9** **Em**
nothing can bring us the peace we had in grafton street
