## Grafton Street Dido $(\mathbf{E})$ no more trips to grafton street, no more going there to see you lying still while we all come and go **E**5 no more watching sunsets that seem like summer s holding on and no more standing quietly at your window no more driving down your road, wondering when you ll be home Am 2fr and no more peace when they all leave and leave us two alone and time we always lose is finally found here with you D6 Em7 my love i know we re losing but i will stand here by you Em G no more calling friends from the car, saying i don t know when i ll be there, Esus4 but i 11 do my best to come no more letting you warm my hands, no more trying to take it in Dadd9 2fr and no more saying goodbye for the last time again (**A**)5fr **D5** no more saying goodbye for the last time again (D) Em Bmand time we always lose is finally found here with you D6 my love i know you re leaving but i will stand here by you EmG no more trips to grafton street, no more going there Esus4 no more sitting up all night waiting for any word

nothing s left that s safe here now nothing will bring you home Dadd9 Em

nothing can bring us the peace we had in grafton street
