

Honestly Ok Intro
Dido

Album: No Angel

Now this is my first time to send a tablature but, I was listening guitar tab only chords, so I thought I d add in, what I think, is the lead. I m only 16 and self taught but if it s wrong, maybe you can fix my mistake XD!

```
          (Gm)                (Dm)
e |-----10-----|
b |-----8h10p8-----|
g |----- (7) ----- (7) -----|
D |-----|
A |-----|
E |-----|
                                     (repeat through out the song)
```

This goes with the chords to the song, already up.

Key:

- h - hammer on
- p - pull off
- () - harmonics

Sorry if I m wrong~
