

Im No Angel

Dido

(Am C F Em)

If you gave me just a coin for every time we say goodbye
Well I d be rich beyond my wildest dreams, I m sorry for my weary life
I know I m not perfect but I can smile
And I hope that you see this heart behind my tired eyes
If you tell me that I can t, I will, I will, I ll try all night
And if say I m coming home, I ll probably be out all night
I know I can be afraid but I m alive
And I hope that you trust this heart behind my tired eyes
I m no angel,
But please don t think that I won t try and try
I m no angel,
But does that mean I can t live my life
I m no angel,
But please don t think that I can t cry
I m no angel,
But does that mean that I won t fly
I know I m not around each night
And I know I always think I m right
I can believe that you might look around
I m no angel,
But please don t think that I won t try and try
I m no angel,
But does that mean I can t live my life
I m no angel,
But please don t think that I can t cry
I m no angel,
But does that mean that I won t fly
