Dido

Em G D C x2

Em G D C

And before I start the day

Em G D C

I have a glimpse of how I used to feel

Em G D C

when we drove all night and laughed all day

Em G D C

thinking nothing can go wrong

Em G D C

And now our hands are full and walking in the dark

Em G D C

I don t know what s below or what s above

D Em

But it doesn t matter now

G D Em

don t look back

G D Em

don t look back

G D Em

Let s runaway

G D Am

then tomorrow won t be the same

G D Em

Let s go away

G D Am

then today won t feel the same

Em G D C

Don t look up and don t look left or right

Em G D C

trust me now and we ll be fine

Em G D C

I ll take your fear and send it out to sea

Em G D C

and you ll forget every little thing you ve seen

D Em

And it doesn't matter now

G D Em

don t look back

G D Em

Let s runaway

G **D** **Am**

G **D** **Em**

Let s go away
