

**Look No Further**

**Dido**

**G** **D**  
I might have been a singer  
**Em** **D**  
who sailed around the world  
**G** **D**  
a gambler who wins millions  
**Em** **D**  
and spent it all on girls  
**Am**  
I might have been a poet  
**D**  
who walked upon the moon  
**Am**  
a scientist who would tell the world  
**D**  
I discovered something new  
**G** **D**  
I might have loved a king  
**Em** **D**  
been the one to end a war  
**G** **D**  
a criminal who drinks champagne  
**Em** **D**  
and never could be caught  
PRE-REFRÃO  
**Am**  
but among your books  
**D**  
among your clothes  
**Am**  
among the noise and fuss  
**D**  
I've let it go  
REFRÃO  
**Em C** **G**  
I can't stop and catch my breath  
**Em C** **G** **D**  
and look no further, for happiness  
**Em C G D**  
and I will not turn again  
**Em C** **G**  
cause my heart, has found its home  
**G** **D**  
Everyone I'll never meet  
**Em** **D**  
And the friends I won't now make  
**G** **D**

The adventures that there could have been

**Em** **D**

And the risks I ll never take

PRE-REFRÃO

**Am**

among the noise and fuss

I ve let it go
