

Us 2 Little Gods
Dido

Introd: **Em D Em D Em D Em**

Verses :

Em Am Em D Em D "Four times"
Walking home, burnt and red
Sticky thin, he said
Let us go down in the woods
Can you be careful she said
Us 2 little gods with the world at our feet
Sticky thin, how you ve grown they said
You ll never fit in your long white dress
When s he going to try and get a job
I m just thankful for what we ve got she said
Us 2 little gods with the world at our feet

Chorus :

Bm Am Em Am
Just this life, I need no other
Just this day, I need no more
Just this moment, let it all stop here
Let it all stop here I ve had my fill
Bridge :

Em Am Em D Em D "Two times"
Summer s here, early again
Let s take the kid and go and celebrate
Drinking beer, moon on the left
And there s the sun, hold my hand he said
Us 3 little gods with the world at our feet

Chorus :

Bm Am Em Am |
Just this day, I need no other
Just this life, I need no more
Just this moment, let it all stop here
Let it all stop here I ve had my fill
Just this life, I need no other
Just this night, I need no more
Just this moment, let it all stop here
Let it all stop here I ve had my fill
Just this life, I need no other
Just this day, I need no more
Just this moment, let it all stop here
I ve had my fill
