## Us 2 Little Gods Dido

Introd: Em D Em D Em D Em

Verses :

Em Am Em D Em D "Four times"
Walking home, burnt and red
Sticky thin, he said
Let us go down in the woods
Can you be careful she said
Us 2 little gods with the world at our feet
Sticky thin, how you ve grown they said
You 11 never fit in your long white dress
When s he going to try and get a job
I m just thankful for what we ve got she said
Us 2 little gods with the world at our feet
Chorus:

Bm Am Em Am

Just this life, I need no other

Just this day, I need no more

Just this moment, let it all stop here

Let it all stop here I ve had my fill

Bridge:

Em Am Em D Em D "Two times" Summer s here, early again

Let s take the kid and go and celebrate

Drinking beer, moon on the left

And there s the sun, hold my hand he said

Us 3 little gods with the world at our feet

Chorus:

BmΑm Em Am Just this day, I need no other Just this life, I need no more Just this moment, let it all stop here Let it all stop here I ve had my fill Just this life, I need no other Just this night, I need no more Just this moment, let it all stop here Let it all stop here I ve had my fill Just this life, I need no other Just this day, I need no more Just this moment, let it all stop here I ve had my fill
