

We Will Never Die
Die Apokalyptischen Reiter

Hab mein Bestes getan den Song für die Akustische Gitarre zu notieren, sodass es sich

richtig anhört...

Ich denke fürs Lagerfeuer reicht ;)

Fürs Anschlagmuster hört euch den Song an, das ist nicht weiter schwer zu hören, oder

denkt euch was aus :P

I tried my best to make the song playable on Acoustic Guitar, while sounding correct...

Think it sounds good enough for campfirerounds ;)

For the right strumming pattern listen to the song or start being creative :P
