Verse 1:

I can barely see your face today

Behind your hands

You say there s no time to waste

Hoping that miracles are up to date

Before you reach the end

You say:

How could a Lucky Jinx like you

Believe in a happy end

You must have known you will lose again

Still hoping tomorrow is a better day

Your tears run down your face

Chorus:

Whatever makes you strong again

Whatever makes you proud

Whatever makes you whole again

Please keep it on your mind
That I ll always run to you
Give you everything I have
I ll do anything, anything, anything

Verse 2:

I can barely hear your voice today
Your words are gone
I will try to bring them back to you
Hoping
They bring you miracles that you prayed for
Before you reach the end

Chorus:

Whatever makes you strong again
Whatever makes you proud
Whatever makes you whole again
Please keep it on your mind
That I ll always run to you
Give you everything I have
I ll do anything, anything for you

Bridge:

I will cheer you up somehow
I will nail your lips to a smile
I ll be your clown
Let you scream into my face
For all the sinners, all the shame
And for you

Final Chorus:

Whatever makes you strong again Whatever makes you proud Whatever makes you whole again Please keep it on your mind That I ll always run to you Give you everything I have

Whatever makes you strong again
Whatever makes you proud
Whatever makes you whole again
Please keep it on your mind
That I ll always run to you
Give you everything I have
I ll do anything, anything, anything.... End
