Whispering voices in my head, sounds like the re calling my name							
A heavy hand is shaking my bed, I m waking up and I m feeling strained							
Bb5							
I m feeling pushed again, I m feeling pushed again							

Verse 2

Why should I go where everyone goes why should I do what everyone does
I don t like it when you get to close, I don t wanna be under your thumb
I m feeling pushed again, I m feeling pushed again, PUSHED AGAIN

Chorus

Dm	G5	F5	E5
Why can t you just leave me alone			
Solitude is a faithful friend			
Turn the lights on ...???...			
Can t you see I don t need your help			

Verse 3

You re going fast when I wanna go slow, you make me run when I want to walk
You re sending me down a rocky road I get confused when you start to talk
I m feeling pushed again, I m feeling pushed again

Chorus

Dm **G5** **F5** **E5**
Why can t you just leave me alone
You re dragging me right to the edge
I gotta go when you took my road
I don t know where the good times went

Bb **C** **Dm**
And I m sick (I m sick) of this pain (of this pain) In my head (in my head)
And I m scared (I m scared) I m being pushed (being pushed) again
