## Bourbon In Kentucky Dierks Bentley Tabbed by: pantherpower17 No capo Tuning: Half step down (Eb, Ab, Db, Gb, Bb, Eb) Intro: B в There ain t enough bourbon in Kentucky Е For me to forget you. R No there ain t enough matches I can strike Е To set afire the memory of you. G#m F#m Up goes down, right s gone left me behind. Е C#m Wheels spin round, reverse stuck in my mind. [CHORUS] в There ain t enough bourbon in Kentucky E For me to forget you. в No there ain t enough bottles I could break Е To make em feel as broken as I do. G#m Stack up every barrel F#m Since the day it was made. C#m $\mathbf{E}$ Satisfaction guaranteed to kill the pain. в But there ain t enough kisses from a stranger On a long wild night to ever make it alright Ε If it ain t you. в In my arms, in my bed, yeah to hell with all the rest Once you ve had the best

Е Nothing else will do. What s the use. [CHORUS] в There ain t enough bourbon in Kentucky Е For me to forget you. в No there ain t enough bottles I could drain  $\mathbf{E}$ To make em feel as empty as I do. G#m With my mouth wide open F#m In a whiskey rain Е C#m I could stand there 24 hours a day. Instrumental: G#m, F#m, E, C#m в But there ain t enough bourbon in Kentucky Е For me to forget you. в No there ain t enough bottles I could drain E To make em feel as empty as I do. в No there ain t enough bourbon in Kentucky E For me to forget you. в

So forget you.
