

Diamonds Make Babies
Dierks Bentley

Capo 1

(D-G)

Yeah man, that sure is one (D) big old rock
It takes up half of that (G) velvet box
I know you've given this a (C) lot of thought
You're gonna get a yes for (D) sure

That thing is more than just a (D) simple stone
It's got some crazy powers (G) all its own
Something will happen when she (C) slips it on
They never (D) tell ya at the jewelry (G) store

(Chorus)

Yep, diamonds make (C) babies
And babies make (G) mammas
And (D) mammas make daddies make changes they don't always (G) wanna
I know that you (C) love her
She's one special (G) lady
But I'm warning you (D) brother
Yep, diamonds make (G) babies

You'll talk about it on the (D) honeymoon
You'll both agree that it's (G) way too soon
Next thing you know she's seein' (C) pink and blue
(D) Everywhere she (G) goes

Chorus

(C-G-D-G)

Chorus

I know this sounds (D) crazy
But diamonds make (G) babies

(D) Oh, good luck bro
It's gonna be (G) great
