

Hope For Me Yet
Dierks Bentley

This is the first and second verse. Not sure how to do the chorus or the bridge

Intro: **C G** (4x)

C **G**
Girl I ve made a name everybody rights off
C **G**
An open road hard case, A honky-tonk lost cause
C **G**
The fate I m looking at there ain t no way around
C **G**
A long and lonely path I m destined to go down

Verse 2:

C **G**
Always living fast, only thinking short term
C **G**
I never could get passed a bridge I didn t burn
C **G**
I m just a worn out pair of boots and a beat up old guitar
C **G**
A hand full of country tunes and a hard luck kinda heart
