=====

(Dm) (F) (A#) (Gm) (C)

(Dm) I must (F) look just like a (A#) fool  
(Dm) Here in the (F) middle of the (A#) road  
(Dm) Standin (F) there in your rear(A#)view  
Gettin (Dm) soaked to the bone (F) (A#)  
(Dm) This land is as (F) flat as it is (A#) mean  
(Dm) (F) man can (A#) see for hundred miles  
(Dm) So I m still pra(F)yin I might (A#) see  
The glow of the (Dm) brake light (F) (A#)

But your (F) wheels just turn  
Down the (Dm) road ahead  
If it (A#) hurts at all  
You ain t (C) showed it yet  
I keep (F) lookin for  
The (Dm) slightest sign  
That (A#) you might miss  
What you (F) left behind  
I (Em) know there s nothin (D/F#) stoppin you (Gm) now  
But, I D settle for A (Dm) slowdown (F) (A#)

(Dm) I held on (F) longer than I (A#) should  
(Dm) Believin (F) you might change your (A#) mind  
(Dm) And those bright (F) lights of Holly(A#)wood  
Would (Dm) fade in time (F) (A#)

Repeat Chorus

Solo

But your (**F**) wheels just turn  
Down the (**Dm**) road ahead  
If it (**A#**) hurts at all  
You ain't (**C**) showed it yet  
You're just a (**F**) tiny dot  
On that (**Dm**) horizon line  
Come on (**A#**) tap those brakes  
Baby (**C**) just one time  
I (**Dm**) know there's nothing (**D/F#**) stopping you (**Gm**) now  
I'm not (**Em**) asking you to (**D/F#**) turn back ar(**Gm**)ound  
I'd settle for A (**Dm**) slowdown (**F**)(**A#**)  
Come on just (**Dm**) slowdown (**F**) (**A#**)  
I'd settle for A (**Dm**) slowdown (**F**) (**A#**)
