

**Thinking Of You**  
**Dierks Bentley**

( Capo on 2nd)

[Verse]

**D** **Asus4**  
When I m all alone or in a crowd.  
**Em7** **G**  
In a quite place where music s loud.  
**D** **Asus4**  
When I m on the road, or in the other room.  
**Em7** **G**  
That s how you know, I m thinking of you.

**D** **Asus4**  
When the flowers bloom, when the leaves turn brown.  
**Em7** **G**  
When the sun is hot, when the snow falls down, down.  
**D** **Asus4**  
When the clouds are gray, and the skies so blue.  
**Em7** **G**  
That s how you know, I m thinking of you.

[Chorus]

**G** **Asus4**  
I m thinking of you that s all I do, all the time.  
**G** **Asus4**  
You re always the first and the last thing on this heart of mine.  
**Bm** **A** **G** **D** **Asus4**  
No matter where I go or what I do, I m thinking of you.

[Verse]

**D** **Asus4**  
Can t remember now who I used to be.  
**Em7** **G**  
What I cared about, fore you came to me...baby  
**D** **Asus4**  
Every selfish thought, all I thought I knew.  
**Em7** **G**  
Has been replaced, with thinking of you.

[Chorus]

**G** **Asus4**  
I m thinking of you that s all I do, all the time.  
**G** **Asus4**  
You re always the first and the last thing on this heart of mine.  
**Bm** **A** **G** **D** **Asus4**

No matter where I go or what I do, I m thinking of you.

Always thinking of you....yes I am.....
