

Tip It On Back
Dierks Bentley

---Capo 1---
---Standard Tuning---

VERSE I:

A **D**
I see main street closing, Miles of For Sale signs
A **D**
And them fields aint growing, Fast enough to get us by
A **D**
I feel the sweet release, Of a Friday night
A **D**
For a couple of hours we can run this town, Till it runs dry

CHORUS:

A **D**
Tip it on back, make it feel good, Sip a little more than you know you should
A **D**
Let the smoke roll, off your lips, Let it all go whatever it is
A **D**
And tip it on back

VERSE II:

A **D**
So grab the girl you came with, And set her world on fire
A **D**
And watch her sway and singing to the music, Until its all alright

CHORUS

A **D**
Tip it on back, make it feel good, Sip a little more than you know you should
A **D**
Let the smoke roll, off your lips, Let it all go whatever it is
A **D**
And tip it on back
