Intro: C#m G# B
C#m
               G#
Try to pull the sun out from the sky,
                G#
you ll need your wings if you wanna fly
The trees are much too big to fall for your saw
C#m
It depends on who s the quickest to draw
{chorus}
Release unconciousness
G#m
Step back, look around, let your spirit grow
Don t be afragid to die
G#m
Sit back and enjoy
C#m
              G#
When I climb I shoot the farm and it s cave
I saw the light and sat by the wave
                     G#
The hole will seem so deep and I need a push
C#m
to ignore the smell that comes from the bush
{chorus}
Release unconciousness. Right before you lose yourself
```

G#m Step back, look around, let your spirit grow В Don t be afraqid to die, it s always worth a try Bb7 Sit back and enjoy G# The first dance is sane when I hear a call my only wheel is shaped like a ball G# It would make no sence to fill your delays G# when your only friend is he who betrays {chorus} E В Release unconciousness.
