Use Me - Digital Summer

Tabbed by: T Ray
Email:tray3029@gmail.com

This is my first tab so email me if you think something needs changing.

Tuning: standard

Intro:

F	C# sus2	G# maj	F# maj
1	4	4	2
2	4	4	2
3	6	5	3
3	6	6	4
1	4	6	4
1	4	4	2

F F# maj
Just another touch of your skin makes everything okay

F F# maj
Just a simple taste of your lips can steal my pain away

F F# maj
Every time that I look in your eyes I can see something's killing you

F F# maj
So don't fight what you're feeling inside cuz I know you need this too

C# sus2 F# maj
Let me be the one you use!

Chorus:

F C# sus2 G# maj F# maj
I'll be your antidote, you be my cure on this cold and lonely night

F C# sus2 G# maj
Put our problems behind us and just for this moment pretend everything is

F# maj
alright

F C# sus2 G# maj F# maj

Let me use youâ€™. And Iâ€™ll let you use me

F **C# sus2** **G# maj** **F# maj**
Let me use youâ€™. To forget these memories

F **F# maj**
I donâ€™t even mind that we hide some things that are better left unspoken

F **F# maj**
Cant we just be selfish for one more night cuz some rules were ment to be broken

F **F# maj**
And I donâ€™t know how we got here, but I know that I shouldnâ€™t care

F **F# maj**
And despite what we think is wrong or right, We both know that I shouldnâ€™t

F **F# maj**
be here tonightâ€™ but itâ€™s worth a try

(chorus)

F# maj **G# maj** **F** **C# sus2**
and youâ€™re like a drug and I am so addicted to you

F# maj **G# maj** **F**
But I cant let go even though I know I should, its true

(chorus)

F **C# sus2**
Let me use youâ€™ like you want me to

G# maj **F# maj**
and forget these memories

F **C# sus2**
Let me use you

G# maj **F# maj**
Like you want me to

F **C# sus2** **G# maj** **F# maj**
You can use meâ€™ to forget these memories
