```
D      G              D
We can never know about the days to come
D      G              A
But we think about them anyway
      D      G              D
And I wonder if I m really with you now
      G              A      D
Or just chasing after some finer day
```

INTRO x1

CHORUS

```
G      A      D
Anticipation, anticipation
      G      A
Is making me late
      G      A
Is keeping me waiting
```
