Band: Dinosaur Jr.  
Song: GET ME  
Disc: Where you been?

**G# Eb**  
I don t see you,  
**C#**  
I won t call you.

**Eb Cm**  
I don t know enough to stall you.  
**C# Bbm**  
Is it me, or is all you?  
**C# Eb G#**  
Guess it s on and on.

**Eb C#**  
All the day maybe I d show you,  
**Eb Cm**  
but it the least of all I go through.  
**C# Bbm**  
but the thing is, I don t know you.  
**C# Eb G# Eb G# C# G# Eb G# C#**  
And it s on and on.

**G# Eb C#**  
Trembling words don t make my eyes close,  
**Eb Cm**  
anything anyone and you d know.  
**C# Bbm**  
I can t find out, cause you won t show.  
**C# Eb G#**

and it s on and on.

**Eb C#**  
Every dream is shot by daylight,  
**Eb Cm**  
and I pray that maybe you re right.

**C#**  
But if you don t,

**Bbm**  
maybe I might.

**C# Eb G# Eb C# Eb Cm C# Bbm C# Eb G#**  
Cause it s on and on.

**G# Eb C#**  
When it takes too long I lose it,  
**Eb Bbm**  
I ll just hang while you abuse it.  
**C# Bbm**  
If you knew, then why d you choose it?  
**C# Eb**  
Cause it s on and on.

chorus:

**C# F#**  
**C# F# C# F#**  
Not gonna get me through this song, you.  
**C# F#**  
Not gonna get me through this song, you.

**G# Eb C#**  
Any time I m there to show you,  
**Eb Cm**  
if it takes too long I know you,  
**C# Bbm**  
out the door just leaving me screwed.  
**C# Eb**  
And it s on and on.

**G# Eb C#**  
Every time I try to fight it,  
**Eb Cm**  
it s so hard to seem excited.  
**C# Bbm**  
And if you don t try and bite it,  
**C# Eb**  
and it s on and on. (chorus) + C F ...

(improvised in the key of C major)

**G#**                    **Eb**  
I don t see you,  
                 **C#**  
I won t call you,  
                 **Eb**                    **Cm**  
I don t know enough to stall you,  
         **C#**                    **Bbm**  
Is it me or is it all you,  
                 **C#**           **Eb**  
Guess it s on and on.

**G#**                    **Eb**                    **C#**  
Every dream is shot by daylight,  
                 **Eb**                    **Cm**  
and I pray maybe that you re right.  
         **C#**                    **Bbm**  
And if you don t maybe I might,  
                 **C#**           **Eb**           **C#** **F#...**  
Cause it s on and on.

Thanks to the original poster.

Peace,  
Paul Z
