I Ain t Sayin off Where You Beenb=bend

I m not sure if the fret numbers are exactly right (I don t have the song right here), but try moving the same pattern up and down a few frets and see what sounds best

The verse is

G# B G#

Run outside my eyes are burning. Your eyes light up, now I m learning. Not a good time, heels are turning. And they re rolling home to you. Left a few things I ll be back for. It s a drag still need a few more. When you re scrathcing out the back door and I m rolling home to you.

Bridge:

B (J real quick moves to C and back to B twice I think. If you listen to the song, you ll know what I mean) *2

EDED

back to F# A progression.

Scratch it off, it won t stop peeling. You re still hooked, you just stopped dealing.

Don t need walls, you need a ceiling, Cause you re floating off again. Run outside, my eyes are burning. Your eyes light up, now I m learning Not a good time, heels are turning And I m rolling home to you.

Bridge again.

G#, **B** again

Left a few things I ll be back for. It s a drag. Still need a few more. Not a good sign
And I m rolling home to you.

Riff.
