**F G Em F**  
In the morning, its the last time that I saw her face.  
**Dm G**  
In that special way to me.  
**F G Em F**  
Without a warning, she pulled every trick to name a few.  
**Dm G**  
What was I supposed to be.  
**F G C**  
I d like to think she cried for me, but I don t know.  
**F G C**  
Her memories won t let me be, just can t let go.  
**F Em G**  
In the morning, is when I think about her.  
**F G C**  
Could it be she cried for me, I don t think so.

In the evening, I don t think it was a peaceful scene.  
Seemed to me a little rough.  
She was leaving, but she forgot to leave a piece of me.  
I didn t know she was that tough.

**F Em F**  
I don t know why she took me.  
**Em G**  
I don t know what else to be.

I d like to think she cried for me, but I don t know.  
Her memories won t let me be, just can t let go.  
In the morning is when I think about her.  
Could it be she cried for me, I don t think so.

(Solo)    **F**       **Em**       **Dm**       **C**       x 4

Is there something that I could do to make her feel a thing.  
I don t know what to expect.  
Guess there s one thing I got left but then I could be wrong.  
Maybe that s the thing she wrecked.

I don t know why she took me.  
I don t know what else to be.  
Hope she s diggin bein free.

But does she cry for me, I don t know.  
Her memories won t let me be, just can t let go.  
But in the morning is when I think about her.  
Could it be she cried for me, I don t think so.
