Dinosaur Jr.

Repulsion - Dinosaur Jr - 1985

Bm = x24432
C#m = x46654
D(add9) = xx0230
C# = xxx9-10-9
Esus2= 099900
Em7 = 022030

Em   **G**
I feel your eyes upon me
Em   **Bm**
How should I act today
Em   **F**
To feel so unsure always
C   **Bm**
Give up or now keep on this way

Em   **G**   **Em**   **A**   **Em**   **F**   **C**   **Bm**

Em   **G**
The silence taps my elbow
Em   **Bm**
It s good, least that s what she said
Em   **F**
I could run but I stand and greet it
C   **Bm**
Boredom won t starve as long as I feed it

C#m   **D(add9)**
The world drips down like gravy
C#m   **D(add9)**
The thoughts of love so hazy
C#m   **D(add9)**
Everyone s ideal of fun

C#   **Esus2**
Repulsion

EA - EA - EA (single string picking from an A = 57xxxx)

Em   **D**   **Em**   **D**

C   **G**   **C**   **G**

```
Try to wake up, try to break it open
C                        G
It s not quite the right feeling
F                                    Em
I ll just keep on hoping

Em       G       Em      A       Em      F      C        Bm

Em                         G
The girls, they smile and say hello
Em                       Bm
The darkness drags me back home
Em                      F
It s hard to face it
C                        Bm
Still waiting, still alone

Em       G       Em      Bm      Em      F      C        Bm

C#m                      D(add9)
The world drips down like gravy
C#m                      D(add9)
The thoughts of love so hazy
C#m                      D(add9)
Everyone s ideal of fun
