

Watch The Corners
Dinosaur Jr.

[Intro] Dm riff

F C Dm
Every morning came
Bb Gm Bb
I don t like that you can hide in
F C Dm
We expect the same
Bb Gm Bb
but I ve no one to confide in

Dm Bb F C
and I want you to be with us
Dm Bb F C
and in time there s no forgiveness
Dm Bb F C
and the plan was set in stone long ago
Dm Bb F C
there s never not a time not to know

Gm
Can I run, but you ll be there
Bb
disappear it s never fair
F
it s like a stare
C
when I call to tell you no
Gm
every action going slow
Bb
can I whisper all alone
F
can I find it far from home
C
there s a time to make you move
Gm Bb
all at once the time flew
