

Watch The Corners  
Dinosaur Jr.

[Intro] **Ebm** riff

**F#** **C#** **Ebm**  
Every morning came  
**B** **G#m** **B**  
I don t like that you can hide in  
**F#** **C#** **Ebm**  
We expect the same  
**B** **G#m** **B**  
but I ve no one to confide in  
  
**Ebm** **B** **F#** **C#**  
and I want you to be with us  
**Ebm** **B** **F#** **C#**  
and in time there s no forgiveness  
**Ebm** **B** **F#** **C#**  
and the plan was set in stone long ago  
**Ebm** **B** **F#** **C#**  
there s never not a time not to know

**G#m**  
Can I run, but you ll be there  
**B**  
disappear it s never fair  
**F#**  
it s like a stare  
**C#**  
when I call to tell you no  
**G#m**  
every action going slow  
**B**  
can I whisper all alone  
**F#**  
can I find it far from home  
**C#**  
there s a time to make you move  
**G#m** **B**  
all at once the time flew

**Ebm** riff
