Subject: CRD: Dinosaur Jr: What Else Is New

Finally figured this one out (I think).

C#, G#, Bbm, C under solo at beginning.

Same chords for verse:

I d like to see you in the morning, in the evening, but you need a warning.
I d like to see you-hoo, it s a last ditch. Come on, you gotta. Ain t
sayin
there s not a cage

F# **G#**
Come on out now. It s the only way.
Can t fake I know how. Is that all you re gonna let me say.

Back to **C#, G#, Bbm, C**

I d like to see you. Don t you miss it? Light a candle today, now I wish that
You d believe me when I need to. Should be weary, I would if I were you.

F# **G#**
Can I come along? I can t take the strain
Now what else is wrong, sure i ll take the blame.
