Finally figured this one out (I think).

**Bb, F, Gm, A** under solo at beginning.

Same chords for verse:

I d like to see you in the morning, in the evening, but you need a warning.  
I d like to see you-hoo, it s a last ditch. Come on, you gotta. Ain t  
sayin  
there s not a cage

**Eb** **F**  
Come on out now. It s the only way.  
Can t fake I know how. Is that all you re gonna let me say.

Back to **Bb, F, Gm, A**

I d like to see you. Don t you miss it? Light a candle today, now I wish that  
You d believe me when I need to. Should be weary, I would if I were you.

**Eb** **F**  
Can I come along? I can t take the strain  
Now what else is wrong, sure i ll take the blame.

Bring it back for me  
Won t you come and see  
You re the only one
