Very simple, same four chord progression throughout the whole song.

Chords: **Bm A G F#**

Or just capo at 2nd fret and play: **Am G F E**

Intro:

Bm **A**
Diane, down deep inside I cry, Diane, without your love I d die,
G **F#** (N.C.)
Diane, you know you drive me wild, Diane, you re such a little evil child

Bm A G F#

(Kazoo Solo)

Bm **A**
I wanna pack and leave and slap your face. Bad girls like you are a disgrace.
G **F#** (N.C.)

Just follow that pattern through the whole song and you should be fine.
