ok this is a really easy song if you know what you are doing. i can t tell if it is tuned down a half step or just standard tuning. i am pretty sure it is standard but you will have to make the call on your own.

intro (acapella)

C Am F G7 x2

C F C F C F G7 C F C G7

verse

C F C F
C F C C7
F Bb F Fm

repeat verse (play Bb to Bb7 on last chords)

bridge

(fade out with **C + F**)
