

**Yeah Right**

**Dionne Bromfield**

Eeeep my first ever Tab, just thought I d help you guys out a bit! (-:

Verse 1

**Dm** **C**  
Maybe you caught the train just like you said you did  
**Am** **G**  
Maybe it broke down but you didn t give up  
**Dm** **C**  
Maybe you got pinned down by all the weight of gifts  
**Am** **G**  
That you were bringing me to show your love  
**Dm** **C**  
Maybe you got lost on the way back to my house  
**Am** **G**  
Maybe you called and I was on the phone  
**Dm** **C**  
Maybe you thought if you were late I d throw you out  
**Am** **G**  
Maybe you think I like being on my own

[Chorus]

**F** **Em**  
Yeah right, Yeah right  
**Asus-A** **G**  
I mean honestly, You lied to me like I m not there  
**F** **Em**  
Yeah right, Yeah right  
**Asus-A** **G**  
You must be mad you lied so bad, Just listen to yourself  
**F** **Em**  
Yeah right, Yeah right  
**Asus-A** **G**  
You ll lose my love, If you keep it up  
Yeah right Mmm

This repeats it s self all the way through the song i think? (:  
Peace Out dudes! (: Naomi J! x
