

**How Many Days Of Sadness**  
**Dionne Warwick**

**Bb**                      **Dm**              **Am7**  
How many days of sadness must I  
**D#7**                              **Cm**  
Spend to get one day of gladness  
**Bb**                              **Dm**              **Am7**  
And tell me how much sorrow must I  
**D#7**                              **Cm**  
Spend to get one bright tomorrow

**Dm7**                                      **Gm7**  
You must have good times just giving me bad times  
**D#7**                      **Dm7**  
Must you always be so cruel?  
**Gm7**              **C**              **F**  
You used to be so wonderful to me  
**Gm7**              **C**                      **F**                      **F7**  
Why did you change my happiness to misery and heartbreak

How many days of sadness must I spend  
To get one day of gladness  
How long, how long must I be lonely  
Tell me when will your heart want me only

**Dm7**                                      **Gm7**  
When will you take me, just take me and hold me  
**D#7**                              **Dm7**                                      **G#**  
Oh yeah, hold me and with each breath that you take  
**Cm7**              **Dm7**                                      **Cm7**              **Dm7**  
Love me, tell me you are mine, want me till the end of time
