

Window Wishing
Dionne Warwick

D# G# D# G#
Through my window I just saw you
Gm6 C F
You were walkin by with someone new
Bb7 A
Oh what I d give to be walkin with you

G# Bb7
Window wishin , that s all I do
G# Bb7
Just window wishin because of you

C#
Without your love I can t go on and face this world
Bb D#
For me there ll never be another you
G# Bb7
Oo-ooh-oo-oo-oo-oo-ooh-ooh

I ll just be hopin and prayin you ll be callin
And you ll say let s give love one more try
If our love ends when you call I will die

So I stay here, all through day
A million teardrops can t wash away
The ache I feel here in my heart now that you re gone
Fm7 G#m
And now I cry

I m window wishin , you re lonely to
And window wishin , the way I do
Come back to me without your love I can t go on

For me there ll never be another
There will never-never be another
Oh no, never-never be another

G#
And window-ow wishin , a-window-ow wishin
D# G# Bb7
There will never, ever be another
D# G# Bb7
Oh no, never, ever be another
