**G F G**  
These mist covered moun\_tains  
**C Csus4 C**  
Are a home now for me,  
**C/A# Am Em**  
But my home is the low\_land\_s  
**F Gsus4**  
And always will be.

**G Am Em**  
Some day you ll return\_\_ to\_\_  
**F Dm Gsus4**  
Your valleys and your farms,  
**G Am F Gsus4**  
And you ll no longer burn to be bro\_thers in arms.\_\_

**G F G**  
Through these fields of destruc\_tion,\_\_  
**C Csus4 C**  
Baptisms of fire.\_\_\_\_  
**C/A# Am Em**  
I ve witnessed your suf\_\_fering  
**F Gsus4**  
As the battle raged higher.

**G Am Em**  
And though they did hurt me so bad\_\_  
**F Dm Gsus4**  
In the fear and alarm,  
**G Am F Gsus4**  
You did not de\_sert me my bro\_thers in arms.\_\_

**G Am C G**  
There s so ma\_ny different worlds,  
**C F Gsus4**

So ma\_ny different suns,  
          **G**                          **Am C G**  
And we have just one world,  
          **C**                          **F**  
But we live in different ones.

                                  **C Csus4 C**  
The moon s riding high.  
          **C/A#**                          **Am Em**  
Let me bid you farewell,  
                                  **F Gsus4**  
Every man has to die.\_\_\_

**G**                          **Am Em**  
But it s written in the star\_\_ light  
                                  **F Dm Gsus4**  
And every line in your palm,  
          **G**                          **Am F Gsus4 G**  
We re fools to make war on our bro\_thers in arms.\_\_\_
