Celebration in the town tonight

All day long

They been slaughtering upon the stone
Share out the meat

Come on woman, come follow me home

Well, the priest he cries
Virgin ascending to the skies tonight

All day long

I have passed my time alone
And when the church bell rung

I stayed out on the tower
In a dying sun

Now come on woman, come follow me home

Well I don't no priest
But I love all of the people
Yes I share the feast
Si I drink up my wine
Yes and the song in my bones

I know the way
I can see by the moonlight
Clear as the day

Now come on woman, come follow me home
