Come on woman, come follow me home

Well, the priest he cries  
Virgin ascending to the skies tonight

All day long

I have passed my time alone  
And when the church bell rung

I stayed out on the tower  
In a dying sun

Now come on woman, come follow me home

Well I don't no priest  
But I love all of the people  
Yes I share the feast  
So I drink up my wine  
Yes and the song in my bones

I know the way  
I can see by the moonlight  
Clear as the day

Now come on woman, come follow me home
