**Dire Straits**

**C#m**                    **B**                    **C#m**  
With all the clarity of dream  
**B**                    **C#m**  
The sky so blue, the grass so green  
**C#m**                    **B**                    **C#m**  
The rank and file and the navy blue  
**F#m**                    **B**                    **G#m**                    **C#m**  
The deep and strong, the straight and true

**C#m**                    **B**                    **C#m**  
The blue line they got the given sign  
**B**                    **C#m**  
The belts and boots march forward in time  
**C#m**                    **B**                    **C#m**  
The wood and leather the club and shield  
**F#m**                    **B**                    **G#m**                    **C#m**  
Swept like a wave across the battlefield

**C#m**                    **B**                    **C#m**  
Now with all the clarity of dream  
**B**                    **C#m**  
The blood so red, the grass so green  
**B**                    **C#m**  
The gleam of spur on chestnut flank  
**F#m**                    **B**                    **G#m**                    **C#m**  
The cavalry did burst upon the ranks

**C#m**                    **B**                    **C#m**  
Oh the iron will and iron hand  
**B**                    **C#m**  
In england s green and pleasant land  
**B**                    **C#m**  
No music for the shameful scene  
**F#m**                    **B**                    **G#m**                    **C#m**  
That night they said it had even shocked the queen

**C#m**                    **B**                    **C#m**  
Well alas we ve seen it all before  
**C#m**                    **B**                    **C#m**  
Knights in armour, days of yore  
**C#m**                    **B**                    **C#m**  
The same old fears and the same old crimes  
**F#m**                    **B**                    **G#m**                    **C#m**  
We haven t changed since ancient times
